

## **THANK YOU!!**

### **Parrotheads of New Mexico**

*"Party With A Purpose"* - The Parrotheads of New Mexico are a fun-loving non-profit organization, which raises funds for various New Mexico charities, by way of paradise-themed parties.

Their mission is a celebration of giving:

*"We celebrate everything tropical and Buffett while helping out in our community by raising funds, performing community service, and helping out local charities in various ways."*

Recently, the Parrotheads of NM held a Redneck Pool Party, and they donated a portion of the proceeds to Los Ojos de la Familia, a total of \$1,030.00! In addition, the hosts of the party have a son who is also involved in the organization, Kasen Quiring, who supplied artwork for auction at the event. He also donated half of his earnings for the evening to the charity! Los Ojos de la Familia is grateful for the generous

support of these community-oriented folks, and we hope to maintain a long-lasting relationship with them as well as other like-minded organizations.
