Happy New Year!!!!

from Los Ojos de la Familia

2013 Annual Holiday Basket Give-Away

Our 4th annual basket distribution was an undeniable success, warming the hearts and homes of not only those who received but also those who gave of themselves, their time and their resources. This year was the largest distribution yet, with 225 baskets delivered to our New Mexico families. Each basket weighed in at over 70-lbs; with the charity equation of a meal = 1-lb of food, that means we gave out over 15,000 meals in one day. In addition to the baskets of food, we were also blessed to

be able to give out over 500 toys to these families, thanks to toys received throughout the year at our events, as well as the truckload of toys received from the United States Marines - Toys for Tots.

Although the event has grown every year, this was the most smoothly-organized and executed Give-Away yet, thanks to the tireless efforts of everyone who helped put it together. We could not be the growing, thriving, impactful charity we are today, without the lavish donations of effort, materials and money, that are poured into Los Ojos de la Familia from loving members of our community.

THANKS to all of our corporate and individual sponsors, whose donations made it possible to provide so richly for our community families in need this holiday season.
