Texas Hold 'Em Tournament

The Texas Hold 'Em Tournament was a complete success for our first year. Our first place winner was Devin Cannady, Second place went to Rhonda Dimperio, third went to Jason Chavez and fourth to Shallen Montoya. The tournament was organized and hosted by Aaron Jaramillo and his amazing crew. Every aspect of the tournament went smoothly and fun was had by all. All attendees enjoyed the great food, wonderful accommodations, lively DJ and all the wonderful door prizes and the \$1.00 raffle was a huge success again. The event raised over \$8,000.00 for continued support of our mission and commitment to help our community and those in need. This event will become one of our key fundraisers every year. Thank you to everyone involved.

Thank You Letters

Dear Los Ojos de la Familia,

I wanted to write and thank you for your support during the 2010-2011 school year. Your organization provided assistance for 2 field trips our students took, to stage performances of The Nutcracker and Pippi Longstocking. The children really enjoyed their experiences and learned about fine arts. I sincerely appreciate your support of our community and students.—*Karen Marler, M Ed, 1st Grade Teacher, McCollum Elementary School*

Dear Los Ojos de la Familia,

Thank you for sponsoring the ABC,ASA-NM, and CFMA *MammoVan Event for Women in the Construction Industry* on April 19, 2011. With your generous donations, we were able to provide mammograms for 33 women, about one third of whom were underinsured or uninsured. As a result of the mammograms, several uninsured women had to have further screening, and we had the funds to pay for those follow-up visits. You helped us save some lives! We hope that this will become an annual event—our primary purpose is to get women tested for breast cancer, and you helped us achieve that this year. Thank you again for your kindness and benevolence. Regards—*Roxanne Rivera-West, President, Associated Builder & Contractors, Inc.*

ACE Leadership High School wishes to formally thank Los Ojos de la Familia for the recent economic support given to eleven of our evening program students. The students in the Re-engagement Program have made a courageous decision to return to school and attempt to earn their high school diploma, a certification in one of our concentrations: architecture, construction, and engineering, and hopefully, an internship and/or higher education. Your contributions have helped these students cover some personal needs, but primarily, serve to encourage them in their continued work. We also wish you to know, we had a special ceremony wherein we made formal presentations of your awards and also honored the students for projects completed. Again, thank you so much. We hope LODLF will continue to consider future students for these awards.—*Tony Monfletto—Director, Rafe Martinez—Director of Student Support, Blanca Elia—Achievement Coach*
