UPDATE : Emergency Assistance

January 26, 2016

LODLF Emergency Assistance

From time to time, we receive urgent requests for help from members of our New Mexico community. When one of these requests is sponsored by a member of our board, we quickly vote to determine if and how we can best help. This month we were able to reach out and lift up two such families.

Angel Elote

Angel is a mother of two who has been hospitalized for over a month with various internal issues, requiring multiple surgeries. She is now ready to undergo rehab, but the copay for the treatment is required up front. Her family started a GoFundMe account to try and raise the money. We wrote a check to Presbyterian Hospital to help her get started on the road to recovery.

Jessica Baca

Jessica is a single mother of three, who has been out of work for awhile, but recently started a new job. However, she won't see her first paycheck for a few weeks, and she asked for help with keeping food on the table for her family and gas in her car to make it to work. We gave her a Walmart gift card to cover the basic household

essentials this month.
