

2020 Los Ojos de la Familia Updates

Fundraisers and Distributions

2020 Golf Tournament

It is with heavy hearts that we must announce that this year's Golf Tournament fundraiser has been cancelled. The board discussed the matter at length, and felt it was necessary and wise to cancel, rather than expose any of our community to unnecessary risks.

For the remainder of this year, we will focus all our energy on the Holiday basket event, to continue bringing joy and hope for the holidays.

Distributions

All programs and distributions are already funded and will continue throughout the year, including all General and Emergency Assistance, Scholarships, Athletic Youth Development Group, and First Responders.

Thank you all once again, for continuing to contribute and volunteer, and for being a part of this loving and generous Family.

COVID19 Relief Fund

\$25,000 COVID19 Emergency Relief Fund

We want to start off by saying thank you to all the members of our Familia, for time, resources, donations, and everything you've all done over the years. We pray that in this time of uncertainty and fear, you are all doing well and staying healthy.

Our board has been working on a program to see how Los Ojos de la Familia can do our part, to help our community through the ongoing COVID19 pandemic crisis. We are pleased to announce that we have set aside a budget of \$25,000 to help specifically with relief efforts. We believe we can get through this if we work together and take care of each other. We have already begun applying those funds to reach out directly to some of those in our community whose need is the greatest.

This fund is separate from our normal programs and distributions, which will continue uninterrupted throughout the year.

If you know of a family in need, please email their name and contact information to us at assistance@losojosdelafamilia.org, and we will reach out to them.

Navajo Nation COVID19 Donations

Special thanks goes to Angela Rogers-Hesch, president of H2H Enrollments, who organized heartwarming care-package delivery to our neighbors at the Navajo Nation, those hardest hit by the virus in our community. We partnered with Angela and H2H, by donating for supplies from the COVID19 fund, to help with the care packages, for which Angela has planned multiple trips.

This is just the beginning of our relief efforts; but we wanted to share with you how, together, we've been making a real difference in New Mexico.

Here is a link to a radio interview with ESPN's "Team Up" talking about the effort:
