

## 2020 Fall HOPE Scholarships *Congratulations, Scholars!*

This semester, we had three stellar HOPE applicants; and as we did not have any HOPE scholars in the Spring this year, we awarded the \$3,000.00 scholarship to all three of these worthy students, rather than the usual two. Our HOPE awards go to **Simone Morelock, Anne Estes and Ariana Montoya**, on receiving this award, for working hard, striving for excellence, and staying committed to education and community involvement.

***CONGRATULATIONS to our HOPE scholars!***

### Anne Estes

*Anne began her freshman year at Baylor University this fall, in the Honors and Pre-Med Programs. She graduated from Hope Christian School with a 4.4 GPA, was a 4 year varsity letter winner and captain of the girls' golf team. Anne was a member of the National Honor Society, won the West Point Academy Leadership Award, was yearbook editor, and was named a Distinguished High School Student by the Association for Christian Schools International. For more than 3 years, Anne was a weekly volunteer at the Corrales Village Library. Anne enjoys spending time with her family including her two younger sisters, loves traveling and yoga, and is hoping to publish her first scientific research paper this spring.*

### Ariana Montoya

***Ariana recently graduated with a 4.387 GPA from Atrisco Heritage Academy High School in Albuquerque, where she was an AP Ambassador and a National Honor Scholar, and was on varsity softball and cross***

country teams. She is attending UNM this fall, where she is working on a BS in Biology with a Minor in Chemistry. She is considering a double major, with the other in Business Administration from Anderson School of Management. After graduation, she plans to apply to the Physicians Assistant program at UNM, working toward a Master's degree, and eventually become a practicing physician in her home state of New Mexico

## Simone Morelock

*Simone Morelock just recently graduated from La Cueva High School, finishing with a grade-point-average of 4.325. She served as Senior Class Vice President, and was a part of Senate, DECA, Fellowship of Christian Athletes and four Honors Societies at school. She will be attending Texas Tech University in the fall where she will study Business Management.*
